Professional Summary

Creative and detail-oriented Web Developer with hands-on experience in front-end and back-end technologies including HTML, CSS, JavaScript, Python (Flask), and MySQL. Skilled in building responsive, user-friendly websites and applications. Strong background in UI/UX design and a passion for creating intuitive digital experiences.

Skills

- **Languages & Frameworks:** HTML, CSS, JavaScript, Python, Flask
- **Database:** MySQL
- **Tools:** Figma, Adobe XD, Git
- **Core Competencies:** Responsive Design, UI/UX Design, Front-End Development, Back-End Development, Web App Deployment

Education

Diploma in Web Development
2025
Gained comprehensive knowledge in web development including PHP, HTML, JavaScript, MySQL, and CSS. Completed hands-on projects involving dynamic, database-driven websites and responsive design principles.

Experience

Frontend Developer
2019 – Present
Self-paced learning through Brad Traversy's YouTube tutorials. Developed multiple

front-end projects applying advanced concepts in HTML, CSS, and JavaScript. Built responsive, accessible, and interactive user interfaces.

UI/UX Designer
2018 – Present
Completed design-focused courses on the DesignCourse YouTube channel. Designed wireframes and prototypes using Figma and Adobe XD. Learned key principles of user-centered design, improving usability across projects.

Projects

1. TaskManager Web App
Built with Flask, Python, HTML/CSS, and MySQL
A CRUD-based web application to manage daily tasks. Users can register, log in, add, edit, and delete tasks. Included user authentication and responsive UI for mobile devices.

2. Portfolio Website
Built with HTML, CSS, and JavaScript
Personal website to showcase web development projects, skills, and resume. Fully responsive with smooth scroll effects, interactive components, and a contact form.

3. Restaurant Landing Page
Built with HTML, CSS, and JavaScript
A visually engaging front-end landing page for a fictional restaurant. Included responsive design, image galleries, animations, and a reservation form.
